2. Additional Rules

The Waterski Council discussed the Additional Rules for 2022. Decisions were made on several rules to either align with the new World Rules for 2022 or where necessary to make amendments to cater for special needs or circumstances in Europe and Africa. These decisions and the finalised Additional Rules for 2022 should be ready to publish at the upcoming Europe Waterski Council Officials Seminar 2022 which is being held online 2nd and 3rd April.

It was also discussed that Appendix D - Administration and Homologation reporting needs to be updated in the future to accommodate for the new online possibilities that we now have through EMS.

3. Panels for 2022

The Officials Panels for 2022 for Titled, Pro Tour and Record events were decided from the online applications through EMS and will be announced or published at the upcoming online WSC Officials Seminar 2022. There are some events where the Panels are not complete and Officials are still needed . The vacant positions will also be announced at the Seminar this coming weekend.

All Officials should be reminded that before applying for any of these events, they should be aware that if nominated for an event, the official must be able to attend the event for the entire span of the competition. There were some events in 2021 where officials requested to arrive a day late or leave a day early, which caused some unnecessary problems for the event organisers.

4. Seminar

The different sessions for the the upcoming WSC 2022 Seminar were discussed. Who would be heading each session, where we need added participation from experts for some sessions, for example Sure Path, and how long each session needed to be. The provisional program was then adjusted to adhere to requests from the officials taking part. It was decided, based on these queries and requests that more time needed to be given to the subject of EMS.

A revised schedule and reminder email for the WSC Officials Seminar 2022 will be sent out this week to all officials.

Louis, in his capacity as IWWF SG, advised that the EB were scheduled to discuss the issues for Officials affected by the Ukraine crisis in the coming week.
