2. Practice Sessions at the 2021 Youth Championships

Although the Youth Championships are going to be run as three separate events, they are scheduled consecutively and within three days of each other at the same site. Therefore, there is clearly the potential that if a skier is competing in the same discipline and in more than one event and is still able to have a practice session for each event, they may gain an unfair advantage.

After much discussion, it was decided that skiers falling into this category will only be allowed one practice session per discipline across all events. If practice sessions have already been paid for, then the Federations concerned will be reimbursed by WSC.

(As the organiser of the Youth Championships, Ricardo declared his potential conflict of interest and refrained from voting).

3. Any Other Business

There being no further business, the meeting closed at 20.00 CET.
