2. 2020 Youth Championships

Candido reported that following an Admincom meeting on 6th June, it has been decided to postpone the 2020 Youth Championships until 2021. This means that in 2021, there will be two Youth Championships run at the same time.

3. EMS Discipline Administrator

Morten agreed to become the official EMS Admin for WaterSki .

4. New IWWF Logo

Candido showed a proposed new logo for IWWF. Apparently, the trend now is to use pastels as opposed to bold colours. No one had any specific objections at this stage.

5. Open European Championships

The Italian Federation has proposed 20-23 August as possible dates for the Open European Championships. This is the weekend directly before the US Masters but there are no other possible dates later than this until the end of September which is probably too late. To date, the Italian Government has not confirmed that the proposed date will be allowed.

6. Red Bull Event

The Austrian Federation are organising an event in conjunction with Red Bull on 8-9 August. They approached Hannu asking whether they needed to register the event. This was referred on to Candido who asked whether they were requesting that the event be sanctioned by the IWWF. If not, then this would raise an issue for any participating officials as they themselves could be subject to sanction under the IWWF byelaws. Because of the way the event is planned it is unlikely that the event can be officially homologated but there may be some way that could be worked out to enable the event to be judged properly. Candido will investigate and report back.

7. Any Other Business

There being no other business, the meeting closed at 19.30 CET.
