

The IWWF Development Commission completed their third seminar of 2010 in Wellington, Cape Town, South Africa last weekend. Eighteen coaches from South Africa and Namibia attended the seminar which covered both the technical aspects of tournament water skiing as well as the delivery of coaching and programming. South Africa will be hosting the Europe and Africa Under 21 Championships in 2012 and they are ensuring the event is an impetus to further the sport in the country, the Development Seminar being one of the steps to this goal.

The IWWF's next development Seminar will be in the Lebanon, 6th – 8th May 2011, as part of the E&A Confederation's Mediterranean strategy.
