

E&A Barefoot Council

Letter to the Admincom and EA Federations, 2021 Barefoot European Championships

Dear Members

It is with great regret that the Barefoot council has to declare we have been un-able to find an organiser for the 2021 European Barefoot Championships.

The council has been trying to identify an organiser than can work within the current Covid 19 travel and social distancing requirements and despite the generous financial offer we have been able to provide, it has proven impossible to arrange.

We have had discussions with organisers in the UK, Germany, Netherland, Italy, Sweden and France. Primarily due to the uncertainty of the European wide travel restrictions and the effect these will have on both the financial risk and the risk to the quality of the event has meant we have not attracted any host. Organisers have also stressed concerns over the number of outside visitors to the waterski club that would occur should they host the championship and the risk these pose to the club members.

We will now focus our efforts on finding a host for 2022.
