3. Seminar 2023

The current number of delegates that have registered for the 2023 Seminar were discussed. A second bulletin will be published shortly reminding all officials about the 2023 Seminar. Attendance is highly recommended especially considering that some qualifications will lose their validity as of 01.01.2024 requiring officials to take re exams. Theoretical exams for all officials and practical exams for all judges will be available at the Seminar. The Seminar program was then discussed. As EyeTrick has now been approved, the subsequent rule changes to accommodate EyeTrick need to and will be part of the program. Donal will be there himself to present and hold EyeTrick sessions. There will be Sessions together for rule changes in general for Tournament and Disabled, for Safety and for Situations and then Breakout Sessions for Sure Path, EyeTrick, Tricks, Drivers, EMS, Scorers and Homologation. Exams will take place Saturday

afternoon and possibly Sunday morning depending on the numbers of candidates wishing to take exams. Gavin is forwarding information regarding issues involving drivers at World Level to Ricardo. Gavin also offered to join Ricardo for the Drivers Session. Gavin, being a member of the World Council, can then inform the drivers directly about future proposals at World Level.
